Won trip to ISEF at  
Michigan Science &  
Engr Fair  
Won Special Award  
in Physics**

Fair Board Members and ISEF Sponsors,

I cannot thank you enough for giving me the opportunity to attend ISEF this year! Watching my friends take first in their categories was the most wonderful part of the week and an unforgettable experience. On a tour, we were able to enjoy some of the sights around Los Angeles, which is an opportunity I would not have received had I not been at ISEF. Also, I was fortunate enough to attend a luncheon with Nobel Laureates. Meeting such amazing people as Dr. Dudley Herschbach at this event made an impression upon me that will last a lifetime and I am very grateful for this. A final advantage was getting to be friends with different students from all over the world while there. Please continue to support the Flint Science Fair and give other students the chance to go to ISEF and experience the same great things I have there.

Sincerely,

Lois Gagnon
